

Dear Customer,

Comus Technology BV complies with California Proposition 65 (31-12-2021).
All products manufactured by Comus Technology BV meet the California Proposition 65 workplace and customer information requirements.

This document certifies that the products manufactured by Comus Technology BV **do not contain** chemicals included in the latest California Prop 65 list except for Nickel and Cobalt.

- The Nickel (metallic) in our products is present in our terminations and plated over with bright Tin plating. Because the Nickel is an internal layer there is no risk of human exposure.
- The Cobalt (metallic) in our products is present as an essential trace element of our precious metal coating on the contacts. These contacts are hermetically sealed inside the glass capsule and, therefore, do not pose a risk for human contact.

Chemical	Type of Toxicity	CAS No.	Date Listed	NSRL or MADL ($\mu\text{g/day}$) ^a
Cobalt (Metallic)	Cancer	7440-48-4	01-07-1992	
Nickel (Metallic)	Cancer	7440-02-0	01-10-1989
